

**Advanced Nurse Practitioner/Specialist Practice Nurse**  
**Salary dependant on experience**  
**Full Time / Part time considered**

An exciting opportunity has arisen at Littleborough Group Practice for an Advanced Nurse Practitioner/Specialist Practice Nurse with independent prescribing. The ideal candidate should be innovative, forward thinking, enthusiastic able to work as part of a team.

Littleborough Group Practice has approximately 9000 patients with a high percentage of elderly patients. We are in a semi- rural location, at the foot of the Pennines a short rail and motorway distance from Leeds and Manchester. Our team consists of 4 GP Partners, 1 Salaried GP, 1 GP Trainee, FY2 Doctor, 2 Advanced Nurse Practitioners, 2 Practice Nurses, 1 HCA , 1 Practice Pharmacist and a full complement of Administrative staff. The Practice has won several awards for innovation which is something we are extremely proud of.

We believe this exciting opportunity would help us better manage our patients with long term conditions.

**Key Skills**

- Master level qualification or working toward this (Desirable)
- Independent Prescriber
- Desire to work in a changing environment
- Thirst to succeed and progress with a forward thinking surgery
- Specialist interest in chronic disease management.
